OF ACADEMIC PLASTIC SURGEONS

Plastic Surgery Residency Recommendation Form: Independent Applicant

Applicant's Name:

Reference Provided By:

Present Position:

Institution:

Telephone #:

Email:

1. How long have you known the applicant?
2. Nature of contact with the applicant:
 - Advisor
 - General Surgery Residency Program Director
 - The applicant has rotated on my service for ____ weeks
 - On a plastic surgery rotation
 - On a _____ rotation
 - I have a written paper with the applicant
 - The applicant has performed research
 - I have not worked directly with the applicant; based on others' evaluations
 - Other, please explain:

3. **Qualifications for Plastic Surgery**

Compared to other plastic surgery applicants, rank this resident by placing an "X" in the appropriate percentile category. A resident ranked in the 100th percentile is considered the most highly qualified, and *this should rarely be chosen*. Improper scoring of applicants reduces the value of this recommendation form.

- a. *Overall compared to other applicants*: Ranking of this applicant as compared to other plastic surgery applicants.
