ACGME Program # 3624121087

Dear Mrs. Cathy Ruiz:

The PennState Hershey Medical Center Office of Graduate Medical Education is in support of the Plastic Surgery Residency Program (3624121087) at the PennState Hershey Medical Center offering an international rotation to the Operation Smile Comprehensive Cleft Care Center at the Mahendran Mohan Choudry Hospital in Guwahati in India. This rotation will be available as an elective off-campus rotation to residents in their PGY5 or PGY6 year of residency for a 7-10 day period. A Program Letter of Agreement (PLA) with the Operation Smile Comprehensive Cleft Care Center and the Hershey Medical Center as well as a letter of agreement between the Mohenras Mohan Choudry Hospital and Operation Smile are included in the application.
